

**Calling all SSI Printmakers members!**  
**DECK THE WALLS: NATURE PRINTS**  
**At the SS Library**  
**December 1<sup>st</sup> to 29<sup>th</sup>**

SSIPS has the presentation room at the SS Library the month of December and we will be celebrating not only the season but also our natural world, alongside Nature Salt Spring's showcase display in the foyer. We want to decorate the walls with boughs of holly and your nature-themed prints! For this show, we are asking members to submit up to 4 **new, unframed smaller works** (in clear sleeves) that can be hung with small clips from the boughs.

On **Saturday, December 9<sup>th</sup>**, we will get together to celebrate the show and to sell more prints and cards. These can be older prints, framed or unframed. Time: 10.30 am – 2 pm. Please bring nibblies to share with our group and our guests.

Please complete the entry form below, add your \$15 entry fee, pop these in the mail to us or send by email plus an e-transfer. NOTE: please follow the new instructions on the form.

**Sizes:** We are suggesting small to medium size prints so that we can show lots of them!

**Framing** – All prints will be unframed, in plastic sleeves. To hang the prints so that they do not curl, please put a light weight card behind the print. Sleeves will be available in various sizes, for a small fee, at the studio by late November.

**Sales** – there is no SSIPS commission but there is a 15 % commission) to be paid by you to the SS Library and all sales will be between the purchaser and the artist.

**The deadline for all show entries is Friday, November 17<sup>th</sup> at 4 pm.** This is also the **deadline for entering your submission to be considered for the show poster.** (Send jpg please.)

**We will hang the show Thursday, November 30<sup>th</sup> starting at 1.30. You must have your works to us by 2.00 pm that day.** Late comers may not have their works shown.

**The show will come down on Saturday, December 30<sup>th</sup>. Please pick up your works between 10 and 11 am** or arrange for someone to pick them up for you. The Library will not hold unsold works.

**While the world is a grim place these days, taking time out to create new prints and to celebrate nature and the holiday season is good for our souls and hearts!**
